— — — — —
SONORA
BORDER INFRASTRUCTURE
MASTER PLAN

Update the existing plan to **identify and prioritize border infrastructure projects**, including:

- Ports of entry
- Their connectivity to the federal highway system
- And other infrastructure projects that facilitate the flow of goods and people on both sides of the border, including innovative initiatives
- Coordinate with Mexico
- Study completed August of 2023!

Arizona-Sonora Border Infrastructure Master Plan

Arizona-Sonora Border Infrastructure Master Plan

259 Projects (Arizona and Sonora)
Representing **\$14B** in Construction Value

Electric Truck Cross-border Drayage Pilot Vehicles
